## **Our Services & Fees**

### **Background - The purpose of this document.**

We sincerely appreciate your interest in exploring the benefits of our services. Prior to commencing any work on your behalf, we would like to provide you with essential information about our services and the associated charges. This document is designed to assist you in determining whether our offerings align with your needs.

Please do take the time to read it - it only takes a few minutes, and it contains important information about our services. Please tell us if you need any extra help or support in accessing our services.

### **Are our services regulated?**

Yes - most of what we do is regulated by the Financial Conduct Authority. However, services relating to most Buy to Let Mortgages are not regulated.

You can see full details of how we are regulated and what permissions we hold in Section 1

Our services relating to residential mortgages, protection and general insurance are also covered by the Financial Services Compensation Scheme. The scheme does not cover services in respect of Buy to Let mortgages. You can also find more details about the compensation scheme in Section 1.

### **What kind of service do we offer?**

We offer advice on mortgages, life, and health insurance products. For mortgages we make recommendations from a broad and comprehensive range of lenders from across the market.

For most insurance advice we make recommendations from a range of insurers which is representative of the whole market. For some, more specialist, insurance products we offer advice from a narrower range or from single providers.

You can see details of our range of products and providers and further details about our services (including information on special advice situations like taking further advances/additional borrowing and advice on mortgages in later life) in Section 2.

There are limitations to our advice. For example, if you are using a government scheme or any shared appreciation, or shared equity scheme (or similar arrangements) to help you buy your property then we won't advise you on the suitability of that scheme. We don't give tax advice. Section 2 also gives more information about this.

### **What do we charge for our services?**

For insurance products we will receive commission from the product provider. We will not charge separate fees for these services. For mortgages we may charge you a fee for our advice. You can see more details about our charges in Section 3.

### **What if you have a complaint?**

We hope that you will love the services that we provide. But if something does go wrong, then we will work hard to put things right. You also have access to our complaint's procedures. If you are still not happy then you may be able to refer your case to the Financial Ombudsman Service (FOS). You can see more information about our complaint's procedures and the types of cases that FOS can consider in Section 4.

### **How will we handle your personal data?**

We will keep your personal information private and confidential, even if you are no longer a client.

You can see full information of how we will handle your data in our separate Privacy Statements. We can provide you with a copy of these or they can be accessed via our website. We may also make electronic checks to verify your identity or for fraud prevention.

You can see more information about data privacy and electronic checks in Section 5

Section 6 contains information about how we manage conflicts of interest and our procedures relating to client money.

The documentation that we provide will tell you whether any mortgage that we are recommending is a Consumer Buy-to-Let.

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim.

## 2. Our Services

### **What type of service do we offer?**

We provide an **advised** service. This means that we will assess your needs and make a personal recommendation for each of the mortgage and / or insurance areas in which you have asked us to provide a service.

We act for you and not the insurer or the mortgage lender in connection with the services we provide. Our advice is based on your circumstances at the time the advice is given. My recommendations are based on my understanding of current legislation, which is subject to change.

### **Whose products do we offer?**

#### ***Insurance.***

We offer products from a range of insurers for the following insurance products: *term assurance, family income benefit, non-investment whole of life assurance, critical illness insurance, income protection, and insurance related products for properties and their contents.* The range of insurers is based on a fair analysis of the relevant market.

#### ***Mortgages and Buy to Let Mortgages.***

We offer a comprehensive range of first charge mortgages from across the market, but not deals that you can only obtain by going direct to a lender.

We do not offer advice in relation to second charge mortgages however we can make a referral to a suitable firm to discuss your needs.

A list of our mortgage providers can be found on the PRIMIS website [www.primis.co.uk/consumer-zone](http://www.primis.co.uk/consumer-zone)  
You can also ask us for a copy of the mortgage providers that we work with.

### **Are there any limitations to the advice we are providing?**

Our advice is limited to providing advice on appropriate mortgage, protection and/or insurance solutions from our range of providers and lenders.

We do not provide tax advice. If you are in any doubt, you should seek appropriate advice on any tax implication of the transactions that you enter.

Where you are making use of government schemes (for example right-to-buy or transactions which involve the Help-to-Buy scheme) or other shared appreciation or shared equity schemes, our advice is limited to the regulated mortgage contract. Our advice does not include advice on the suitability of other schemes.

**Increasing borrowing on an existing property.**

If you are seeking advice for increasing the borrowing secured on a property which is subject to an existing mortgage, we will consider whether you should:

- Take a further advance/additional borrowing from your current lender.
- Take out a new mortgage with a different lender.

We will not consider second charge loans or unsecured lending. In some circumstances, these options might be available and appropriate for you.

**Borrowing into retirement.**

We can offer advice on a number of products where you are considering borrowing on an interest-only basis into your retirement.

We do not offer advice on Lifetime Mortgages; however, we can introduce you to an appropriately qualified adviser if you wish to consider this option.

**Your duty to provide full and accurate information.**

It is your responsibility to provide full and accurate information to us and to any product provider or lender that we might recommend.

Failure to disclose material information could invalidate any recommended insurance or could result in a mortgage application being declined.

We rely on the information you have disclosed to us. We cannot be held responsible for any consequences arising from the information held on your file becoming inaccurate as a result of changes that you have not told us about.

<b>3. Our Fees and Charge</b>
-------------------------------

**What are our Fees and Charges?**

***Insurance***

We will not charge you a fee for our services relating to insurance, but we will receive commission from the product provider. The commission will be calculated as a proportion of the premiums paid for the insurance product.

You will receive a quotation which will tell you about the fees and charges relating to any insurance policy that we recommend.

### **Mortgages**

For our advice services, we will charge a fee of between £750 and 1% of the total loan amount. The amount will depend on the complexity and nature of the mortgage application. For example, a complex commercial mortgage requiring specialist lending and structuring of £500,000 would mean a fee of £5000.

£250 of the fee is payable on application and the remainder is payable upon receipt of a successful mortgage offer.

You will not receive a refund if your mortgage or loan does not go ahead.

We will also be paid a procuration fee by the lender. The amount of the procuration fee will be disclosed to you.

You have the right to ask us to provide information on the range of procuration fees that the lenders on our panels offer to us.

If an application is submitted to a lender via a packager (a 3<sup>rd</sup> party specialist) we will be paid commission by the packager. This will be disclosed to you.
